When I was asked if I would do anal today, I was both excited and apprehensive. While I'm not prudish, my little butthole has only had a couple fingers in it, and not for very long. But I'm game. He promised it would be slow and well-lubed. I've always been a bit of an adventuress, so I'll do it. Just for you!

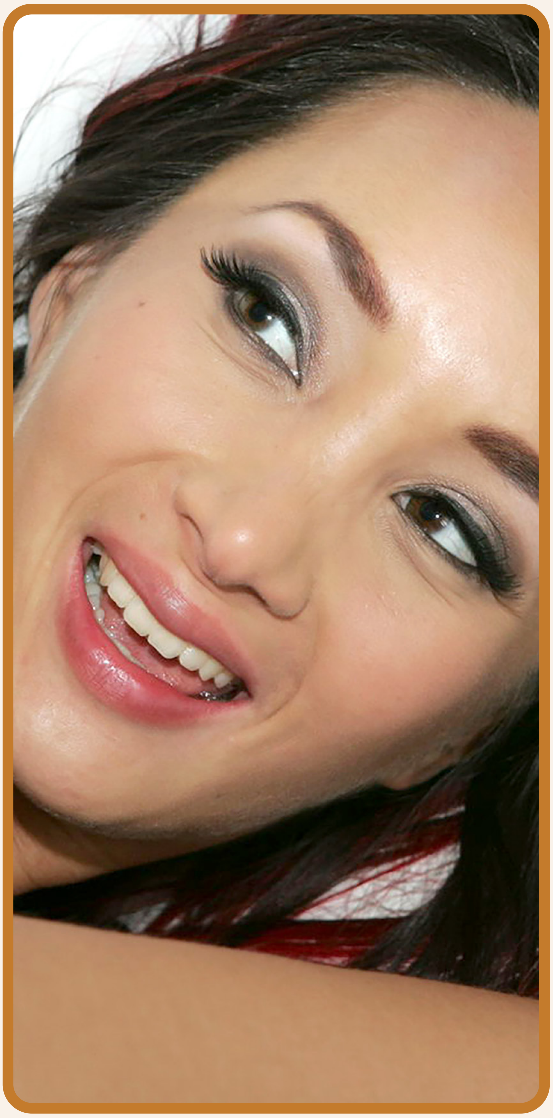
HARDWORKING HUSSY



"Five dollars," said the redhaired clerk.

It didn't surprise me. I always had late fines. Returning library books on time just wasn't in my DNA. Unfortunately, the library didn't take plastic. And I was low on cash, low to the tune of one dollar and some pocket change.

"Can I pay next time?" I asked hopefully.

"You can," the clerk replied, "but you won't be able to borrow anything until your record is clear . . ."

"I can't get this book?"

"I'm afraid not."

I desperately needed the book for a research paper due on Monday. It was Saturday evening, the library just minutes from closing. I didn't have enough time to drive home, grab some cash, and speed back to the place. And they were closed on Sunday. I was screwed. Big time.

Swallowing my pride, I commenced to pleading my case. The clerk cut me off in the middle of my spiel and asked me if I was aware of the library's "food for fines" program.

"What's that?" I inquired.

"You can pay your fines by donating canned goods and other non-perishable items," she explained.

The city had a large homeless population. Many of these folks slept on the front steps of the library. I wanted to help those less fortunate than myself, wanted to borrow the book and finish my paper, but I didn't have any groceries in my car.

Shit, I thought. I could still write my paper without the book, but it wouldn't be nearly as good. I wanted to maintain my A average at the local junior college so that I could finish my studies at a good university.

"Oh well." I sighed in frustration. "Rules are rules."

Accepting defeat, I turned on my heels and started for the door. I made it a few steps when she said "Perhaps we could work something out . . ."

"I'm all ears."

"You can borrow the book," she went on, "if you stick around after closing and help me with a few things . . ."

She didn't say exactly what she wanted me to do, but I didn't particularly care. Assisting her with some random library chores was a small price to pay for maintaining my A average.

No sooner had the last patron exited the building than she locked the doors, dimmed the lights, and introduced me to her brunette coworker.

"This is Riley, our part-time shelver," said the redhead. "She's in school, too."

"And what's your name?" I asked.

"Oh, sorry," the redhead said. "I'm Sage."

Riley looked familiar. It didn't take me long to place her as a fellow student at

the junior college. Small world, I thought. Still, I didn't share this information; the less chitchat the better as I needed to get started on my paper as soon as possible.

I followed them through a door behind the circulation desk. The adjoining room was used mostly for storage. Boxes of canned goods and non-perishable items were scattered all over the place. I thought they were going to ask me to deliver the items to local homeless shelters.

I thought wrong.

Turns out Sage and Riley were more interested in feeding themselves than the poor.

And my cock was on the menu!

They were nothing if not forward, dispensing with the preliminary bullshit and getting right to the point. I was all for it, of course. They were a couple of hotties, and I hadn't been properly serviced in several weeks.

Having peeled my chinos and boxers, Sage knelt before me as I stood above her and eyed Riley across the room. The sexy part-timer sat on a short stool and lifted an even shorter skirt. Black lace panties contrasted sharply with the creamy white skin of her thighs. She pushed the garment to the side, exposing her precious pink pussy.

Meanwhile, Sage had commenced to gobbling my knob. She sucked my cock aggressively, whipping her head to and fro at a frenzied pace. Her lips glided up and down my turgid shaft, faster and faster, while she moaned and groaned. Thankfully, she slowed the pace before I blew my load.

"Get over here, Riley," she said to her coworker. "You know you want to suck this dick . . ."

An eager Riley hopped off the stool and crouched beside her colleague. "Two mouths for your big cock," said Sage. "How does that sound?"

"Sounds good," I told her. "Sounds real fuckin' good . . ."

Sage licked and lapped my ballbag while Riley polished my prick. The brunette sucked me eagerly, pumping my meat with her greedy mouth. Her lips sealed around my stiff shaft, she moved her head at the perfect speed. Not too fast, not too slow. I placed my hands atop her head and gave her a few thrusts. My glans tapped the back of her throat, spurring her to suck me with even more eagerness.

By this time Sage had my entire sack inside her mouth. Needless to say, I was closer and closer to the brink.

Riley withdrew for a gulp of air. She got a lot more than that when I popped off in her face. Mine was a hefty load. I had plenty for Sage when she stopped sucking my balls and proffered her tongue for a good and proper creaming.

"Yummy," she declared after swallowing much cum.

It was a win/win for both parties. I got my book. Sage and Riley got some dick. And the homeless slept through it all . . .

I spent all of Sunday holed up in my little apartment, holed up and toiling on my paper. The borrowed book was even better than I had anticipated. My best source, by far. I worked into the predawn hours, burning much midnight oil in hopes of earning an A.

Exuding confidence, I entered the classroom on Monday morning and turned in my paper. The instructor lectured for an hour, but I couldn't tell you a word he said. I was in another world, thinking about Saturday's tryst with Sage and Riley.

I skipped the rest of my classes and drove to the public library

to return the book. It wasn't due for three weeks, but I was done with the thing. No sense in keeping it any longer.

The shortest route from school to the library took me through a rundown section of town. The streets were in bad shape, the sidewalks littered with trash. The only businesses were pawn shops and liquor stores. Waiting at a red light adjacent to a homeless shelter, I did a doubletake when I spotted a familiar face . . .

Riley!

She stood outside the shelter smoking a cigarette. Strangely enough, she didn't look out of place among the destitute and downtrodden loitering on the corner. She looked jaded and tired and, quite frankly, sick of life.

What in the world is going on here? I asked myself as the light turned green. I wheeled to the curb and rolled down my window. "Hey, Riley," I said. "You okay?"

It took her a few seconds to place me. Her face turned red when she realized who I was. She's homeless, I realized with sudden clarity. Homeless and ashamed of it . . .

"Oh, hey." She tossed her cigarette onto the pavement. "Library guy . . ."

"The one and only," I replied. "You need a lift?"

Riley didn't hesitate. She lifted a backpack from her feet. The backpack was old and bursting at the seams. No doubt it held her schoolbooks and some clothes. I told her to put it on the backseat, which she did before getting in front with me and fastening her seatbelt.

"Where to?" I asked her.

"The library," she told me.

"Working today, huh?"

"A girl has to eat."

I didn't inquire about her precarious living situation. It was none of my business. Still, I couldn't help but wonder what had happened in her life to lead her to such a lowly station. Having seen her at school and, most recently, the public library, I never would have thought she was homeless, never in a million years.

The drive was uncomfortably silent until Riley broke the ice. Her boyfriend had dropped out of school mid-semester and moved back home to Texas. "We were sharing an apartment," Riley explained, "and I couldn't afford the rent all by myself . . ."

"That's tough," I remarked.

"Sage doesn't have a clue."

I didn't say anything.

Riley sighed wearily. "It could be a lot worse, though. I may not have my own place, but at least I'm not starving. The library isn't my only source of income . . ."

I waited for her to tell me about her other job, waited and waited some more. When she finally told me I did my second doubletake of the day. After all, it's not often that a female acquaintance confesses to being a prostitute.

"Don't look so surprised," she told me. "It's good money. And I've saved a lot. It won't be long before I'm able to move out of the shelter and get my own

place."

"Good for you, Riley."

"In fact, I'm just one trick away from having enough to pay the security deposit on a cozy little efficiency apartment in a halfway decent part of town."

One trick away, I thought with mounting excitement. Riley gave spectacular head; this I had learned at the library. Now I had an opportunity to sample her pussy. For the right price, of course.

As if she were a mind reader, Riley placed her hand on my thigh. "You wouldn't be looking for a date, would you?"

"What about the library?" I asked.

"I don't clock in for another half hour. We've got plenty of time. Come on, man. You won't be sorry."

"Uh—um—"

"Don't you want to help me get out of that awful shelter?"

"Of course."

"Don't you want to see me get my own place?"

"Absolutely."

"Then put your money where your mouth is."

I drove to the nearest ATM, withdrew a hundred and forty bucks from my checking account, then parked on a gravel backroad near an auto parts salvage yard.

"Don't look so worried," Riley told me as we climbed into the back seat. "Nobody will bother us. I service johns here all the time . . ."

My concerns dissolved soon enough. Riley's hot body had everything to do with this. Having moved her cumbersome backpack to the floorboard, she peeled her jeans and panties. Now she lay on the seat with her legs spread. She had a beautiful pussy, a glorious pink gash which she rubbed with deft fingers.

"Come on, baby," she uttered sexily. "Stick that big hard cock inside my tight little cunt."

Tight was right. She clenched me as I began to thrust, squeezing my manhood with her snug snatch. I started slowly, then gradually increased the speed and force of my movements. She raised her knees and urged me to fuck her harder.

"Gladly," I muttered.

It wasn't long before I was pounding her pussy in earnest. Damn she felt good! I drove my hips like a savage, burying every inch of my tool inside her. Again and again and . . .

Riley cried out beneath me seconds before I withdrew and dumped a massive load on her stomach. My cock spasmed repeatedly, throbbing and pulsing and spewing . . .

I dropped Riley off at the library, handing her my book as she got out of the car. Hands on the wheel, engine idling, I watched her climb the library steps with that big backpack of hers. She had to step around several slumbering homeless people just to get to the front door.

Riley would never ever sink that low.

Never. Ever!

Not with a work ethic like hers.

MARIANNE

MY GIRLFRIEND IS AWAY

The last thing I wanted was to wake up my housemates and have them find me balls deep in our mutual friend's throat. The thought crossed my mind and I quickly stood up ready to take this to a higher level. I firmly held her head and began slowly fucking her face.

My girlfriend and I met at Oxford and we have been dating for about a year now. This summer she's out of town for a teaching internship. Logically I've gotten progressively hornier as the weeks pass without her.

It all started one night when my housemates' friend came over to hang out. The four of us including my mates and the girl, Marianne, proceeded to drink ale. We all got more and more inebriated as the night went on until slowly my other two housemates drifted away to their rooms to pass out. At this point the girl and I were just sitting around listening to music on the internet.

I found her getting closer and closer to me despite the fact she knew I had a girlfriend. It eventually got to the point where she was laying her head on my chest as we listened to oldies together. I was getting more and more excited the whole time and my heart was racing at this point. So I finally turned her head towards mine and started to kiss her. She was so quick to return my kiss that it was clear she had been thinking the same as me.

We made out furiously as I explored her body with my free hand. She began rubbing my hard cock through my gym shorts and it was clear where this was going. She pulled away from me, got down on her knees in front of the couch and she reached into my pants to pull my cock out.

The moment it cleared the waistband she enveloped it with her mouth and began to suck. I was thinking about how crazy it was that I was cheating, but its hard to argue when your cock is already getting milked by eager Marianne's mouth. We locked eyes as she went up and down my shaft licking it from root to tip. If someone had told me yesterday that this girl would have my dick buried in her throat I would have never believed them. I grabbed her free hand and cradled them under my balls. She proceeded to moan for me and the vibrations of her throat felt amazing on my dick. I reach behind her and pulled her shirt over her head and undid her bra as

MARIANNE

MY GIRLFRIEND IS AWAY

she resumed sucking. Her ample tits were now bare in front of me for the first time. I started to cup and fondle them and she started to bear down on my cock, going as deep as she could.

At this point the sucking noise was worrying me. The last thing I wanted was to wake up my housemates and have them find me balls deep in Marianne's throat. The thought crossed my mind and I quickly stood up ready to take this to a higher level. I firmly held her head and began slowly fucking her face. She already seemed short of breath but I didn't care. So I went harder and harder until I finally pulled out and she took a desperate breath of relief.

I rewarded her by smacking my cock against her lips. She chuckled at that so I shoved myself back in and fucked her throat some more. At this point she was breathing heavy and so I took a lay back on the couch. She crawled on top of me and began to slowly ease up and down my cock with her lips. I felt her tongue inside her mouth working against the underside of my cock as she sucked. Her throat ran short and her lips stopped a couple inches before they could wrap around the base of my cock. Her lips pursed tightly against my cock and retreated slowly back up its length in.

We both knew it was about time to finish this. She cradled my balls with one hand, encircling and rubbing the circumference of my ball sack with her thumb and finger. She gripped my penis at its base and wrapped her soft lips around my swollen head.

Her final push for me to cum went into action. Her hands pumped my balls and shaft rhythmically as she relentlessly sucked and licked the most sensitive place on my cock. She milked me like this for quite awhile and since I had quite a bit to drink, it was very difficult to cum. Finally I felt the warm tingling sensation begin in my cock.

"I'm cumming!" I moaned and she went to work faster than before. I felt the pressure build to its peak. She started to withdraw her mouth but was a little too late as I sprayed her lips with cum. We both cleaned up and laughed off what just happened. I still don't know if my housemates heard or saw.

The girlfriend will still be out of town for a month and lately Marianne has been trying to get me over to her house. If I fuck her, I plan on making it well worth my time. I'm gonna work her over real good, and I'll write all about it – if it happens. If it doesn't happen then I'll have the memories and this letter to remind me of it in my later years. Hope it does!

I'm much wilder now than I was at eighteen. I've grown and matured more sexually. I'm less into me and more into the feeling of sex, oh, and the guy. I've learned to please my man, and women, too, much more than even a couple years ago. I think I'm going to like getting older a lot!

katsumi

Black-with-a-splash-of-red-haired cutie pie Katsumi is ripe for the picking. And she's getting picked by two well-hung and horny guys that just can't wait to get at her. Fortunately for us, all it takes for her to get hot is the taste of cock in her mouth and the feel of cock in her sweet ass.
